

NOTICE TO RESIDENCES

Hood River County Public Works will be applying a preventative maintenance Chip Seal treatment to the road surface in your area.

**** Please expect and plan for delays ****

START DATE:
Friday, July 21st

END DATE:
Friday, July 28th

WORK EXTENT:

Work will occur on both travel lanes of the residential roads in the Odell area and your property may be near or adjacent to a road that has been scheduled to be treated. Please have all of your vehicles and personal property removed from the roadway 48 hours before the surface treatment begins. No Parking signs will be placed on the roadway advising you when the work will occur and when vehicles and property will need to be moved or removed. Any vehicles or personal property left on the road surface will be towed or removed.

WORK SCHEDULE:

Days: Monday - Friday
Hours: 6:00 am – 6:00 pm

ROAD SAFETY:

For your safety, and the safety of the crews, please obey the flaggers and traffic control signage.
