

Interviewing With Us

Thank you for taking the time to interview with Hood River County. We are looking forward to meeting you, and we wanted to provide you with some helpful tips to make your interview a success.

Do Your Homework. Before interviewing with us, we encourage you to learn more about not only the job itself by reviewing the job description, but also about our organization including our vision, mission, values, and goals.

Give Concise Responses. How you communicate is just as important as what you say. Clear, concise responses will help us learn about your experience and qualifications. You may want to try using the STAR interview method: Situation, Task, Action, Result.

Ask Questions. Be curious. At the end of the interview, we will allow time for you to ask questions. It's your opportunity to ensure we tell you what you need to know to determine if the role, team, and organization is the right fit for you.

Be Authentic. Be you. We want you to be yourself when you interview with us. Come as you are, and dress in what you deem appropriate for an interview with us.

Have Fun! Relax and enjoy your conversation - we're excited to meet you!
